Last Weeks Meeting

Warfighting Simulations. Once again our program director Buddy Blackman came through with a great program. The meeting was held in Cullum Hall, which in itself was a real treat, with the plaques, paintings and other works of art reliving the past at West Point. Gus Fishburne gave a great narration on the building. (Gus was the Commandant of the building for 11 years!) Also, Instructor/Trainer Haveron put on great program; the simulator vs. live. Coffee, tea, bagels, etc were brought in for breakfast. (Unfortunately, several members were not aware of the changed location of the meeting.) Please accept our apologies.
